REQUEST FOR SERVICE DISCONTINUANCE

I, _____ hereby request my water meter(s) for account # _____ to be disconnected at _____ from Angus Water Supply Corporation Service. I understand that if I should ever want service reinstated I will have to reapply for service as a new member & I will have to pay all costs as indicated in a then current copy of the Angus Water Supply Tariff.

Future ability to provide service will be dependent upon system capacity, which I understand may be limited & will require a \$200.00 Membership Fee, plus a \$35.00 Turn on Fee.

I further represent to the Corporation that I am authorized to execute this Request for Service Discontinuance on behalf of my spouse, business partner or corporation.
