

LOCATE FORM

NAME: _____ PHONE #: _____ DATE: _____

ADDRESS: _____ STATE: _____ ZIPCODE: _____

I hereby request for Angus Water Supply Corporation to locate my water lines on my property. Below is a description of where I want my water lines located on my property.

REASON FOR PROPERTY LOCATION: _____

DATE I NEED THE LINES LOCATED BY: _____.

I understand that my water lines will be located within a 5 days beginning the following day unless there is a major leak on our water system being repaired or an unforeseen emergency that keeps our contractor from locating the water lines within 5 days. All leaks have priority on our system. I also understand that there may be other customers who applied before me who request for their water lines to also be located.

I understand that if I dig before Angus Water Supply's contractor locates my water lines, even if the 5 day period has passed, that I am responsible for all damages incurred on the water line, all water loss, all parts to repair the water line & for the contractors fee to repair the damaged water line.

The locate is valid for 14 days. The 14 days begins on the day your water lines are located.
